3. Select 'ISC Gunners Premier or ISC Gunners Select' depending on your team.
4. Find your team name form the list: e.g 'B2010A'
5. Scroll down the player names and select yours to open/order your uniform

Please note that each player in the club will be required to purchase all three uniforms consisting of: Royal/White/Navy: Jersey, Shorts, Socks, and Navy Jacket. These items will be displayed in "Step 1" - Required Items. There are also Recommended Items (Step 2) that are not mandatory club purchases but feel free to order extra socks or other items at your own discretion.

*** Our practice attire remains Royal Blue Shirt, Shorts and Socks. If you would like to order an extra Royal Blue shirt for practice, then please do so.**

*** If your Field catalogue is displaying a GK catalogue or vice versa, there has been an error during the upload. Please contact Soccer West who can change this for you. (team-service@soccerwest.com)**

GK - Orders

If you are a GK and there is zero GK catalogues showing, then there has been an error during the upload. Please contact Soccer West (team-service@soccerwest.com.) and request this change.

You are only required to purchase GK uniform. If you desire a Royal Blue uniform then this is optional, but recommended.

There will be a short sleeved option available to order mid-June.

Jersey Numbers

All jersey numbers have been imported prior to your arrival and will be automatically sewn/printed onto your uniform - you do not need to select a number. (The image on the website may appear as #12 - do not panic, the system will know your actual jersey #, this is merely a visual guide).

If there is a duplicate number on the team, as per ISC Gunners FC Club Policy; those individuals with the longest seniority will retain their numbers and the more recent players will select a new one.

New players joining the club or current players with a pre-assigned number; cannot choose or request a preferred jersey number. These are automatically assigned by the club. No exceptions will be provided.

Uniform Delivery

This year, Soccer West will conveniently be mailing all items to your home address; if you place your order before June 1st then the delivery time should be approximately 2-3 weeks. Anything ordered after June 1st, will most likely take 4-5 weeks. **You have been warned.**
